

## The "Register" Tobacco Fund for Our Soldiers in Europe

The good women of the country are knitting sweaters, socks, wristbands and all sorts of comfortable things to send to the soldiers at the front. What about tobacco? There is nothing you can think of that will give more comfort and solace to those men than tobacco.

This paper has made all arrangements to send tobacco, and not only that, but is going to send the most popular brands in this country—the kinds that many of the men have used at home and that they all know are good.

Tobacco can be sent to Europe without tax, import duty or freight. Through the generosity of leading tobacco manufacturers we are enabled to send 50c worth of smoking tobacco, chewing tobacco or cigarettes for 25c.

It will be worth many quarters to receive grateful acknowledgement of your donation from some soldier at the front. A return post card stamped and addressed to you will be placed in each package you donate.

Send us a quarter if that is all you can spare, or more if you can spare it. This is a time to make sacrifices for the comfort of those who are risking their lives. Send one dollar, ten dollars, or one hundred dollars if you can spare it. There won't be any too much tobacco to go around. The names of all those who make donations and the amounts donated will be published in this newspaper from time to time.

Cut out the form below, fill it out for as liberal an amount as you can afford and send to us with your contribution without delay as it is important to get tobacco to the other side as quickly as it can be done.
